

I support Radio Station K-LOVE. It provides a valuable service to families in the local community. If K-Love were to be displaced by an LPFM broadcaster providing other programming, a huge void would be left in the community. K-LOVE supports and advertises for free local events that are open to the public for free. It offers family-friendly programming, news, music and uplifting commentary. Please do not remove K-LOVE from the communities it serves. I listen to K-LOVE on 99.1
